**Preamble**

The Qualification Dataset for the following governing specification was last updated on 07/12/2007.

Qualifying Activity	FSC Code	Document Date	Document ID	QPL Number	Status	Title
AS	9150	01/18/1994	MIL-L-23398D(2)	QPL-23398	Active	Lubricant, Solid Film, Air-Cured, Corrosion Inhibiting, NATO Code Number S-749

This list has been prepared for use by or for the Government in the acquisition of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release or otherwise affect the obligation of the manufacturer to comply with the specification requirements.
